

Dear Sir/Madam,

Indexation on the **ICI Journals Master List** is a confirmation of the publishing and scientific quality of your scientific journal. The indexation process is preceded by a multidimensional parametric evaluation of the journal, made on the basis of the information send in the journal's questionnaire, analysis of the delivered past year issues and verification of formal criteria. Only scientific journals that meet the appropriate standards for scientific journals, determined by the best periodicals in the world can receive the **ICV (Index Copernicus Value)** in a particular year.

The indexation on the **ICI Journals Master List 2016** enables your journal

**Менеджмент и кадры: психология управления, соционика и социология (2226-7514)**

**Психология и соционика межличностных отношений (2226-7549)**

**Соционика, ментология и психология личности (1680-4538, 1680-4325)**

**Физика сознания и жизни, космология и астрофизика (1680-6921, 2413-9653)**

to access additional services dedicated only to the Editors and Publishers of scientific journals, which received the ICV (*Index Copernicus Value*) 2016.
